REMARKS/ARGUMENTS

Claim 2 is objected to as being dependent upon a rejected base claim but indicated to be allowable if rewritten in independent form. In view thereof, claim 2 has been combined into claim 1. Allowance of claim 1 is therefore respectfully requested.

Claims 3-8 are rejected because of their dependence on base claim which was rejected. These claims are now dependent on claim 1 as amended to include the limitations of claim 2. It is therefore submitted that these claims are free of rejections of record.

Claim 2 is cancelled.

In view of the above, the claims are free of all rejections of record. Allowance of the application is therefore respectfully requested.
